

Baby Signs® by Janice: Signing for Hearing Babies

Child Educator Sign Class - \$179

This course demonstrates how teachers and caregivers can use the Baby Signs® program to address the areas of cognitive, physical, social, emotional and language development within their current curriculum. Teachers will learn the research behind the program, why it works, when to start and how to incorporate signing into their daily, classroom routines. This course comes with a kit that includes valuable reference tools.

Parent Sign Class - \$179

This fun, hands-on class is designed for parents of children from birth to 24 months. The course fee includes the Baby Signs® Parent Kit to help parents incorporate what they learn in class into their daily routines at home.
