

# Teacher Certification Preparation Classes

The Teacher Education Department of Central Florida Community College is offering classes for professional educators who are pursuing certification. The classes are taught in a stress-free environment to assist teachers preparing for the Florida Teacher Certification Examination. (For test registration: [www.fl.nesinc.com](http://www.fl.nesinc.com))

In addition to classroom instruction in specific subject areas, participating teachers will also receive supplemental study materials. Participants will also have access to the self-paced learning technologies of the college skills laboratory that can be delivered at home, in the learning lab, or from anywhere the learner has Internet access.

Participating in these classes will allow teachers to be in an environment where every person and resource they encounter is focused on helping them achieve the goal of certification. This course work has been prepared by teachers for teachers. Your success is our goal.
