

CONFIDENTIAL FINANCIAL STATEMENT

Estimated Expenses: Current estimated expenses* for one academic year (two semesters)

12 credit hours per semester for a total of 24 credit hours:

| | |
|----------------------------------|------------------|
| Tuition (two semesters) | \$ 8914 |
| Books & lab fees (two semesters) | \$ 1300 |
| Living expenses (one year) | \$ 6338 |
| Insurance (one year) | \$ 843 |

Student must have sufficient funds upon arrival to pay for their tuition in full and 3 months advance rent*. For each subsequent term students must have sufficient funds to pay for their tuition in full at the time of registration. The college does not offer any financial aid to International Students. **If the student has a host family or relative to live with, the total will be reduced by \$6100.00 for a total of \$10,537.**

*These figures are subject to change at any time. Estimated expenses are based on the assumption that a student has no dependents and does not own an automobile.
